

12 Padarn Crescent, Llanbadarn Fawr  
Aberystwyth Ceredigion SY23 3QW

Guide price £385,000

Enjoying a convenient edge of town location a commodious detached 5 bedroomed house with integral garage and landscaped garden.

The property is ideally a commodious family house which historically provided for self contained accommodation on each floor. Subject to building regs, the existing first floor lounge and kitchen can be reinstated back to bedrooms in order to accommodate a large family. The existing integral garage, subject to consent, may also be suitable for conversion to additional living accommodation.

The landscaped front garden is also well worthy of inspection as highlighted in the photographs.

Aberystwyth town centre is but a mile or so travelling distance, the town having a good selection of both local and National retailers. Red stock is convenient to both the primary and secondary schools and to major employers such as the University, National Library of Wales and Bronglais Hospital.
