Seldom do we receive instructions to offer an edge of village property with a paddock. The extent of the property is highlighted in red on the attached Land Registry plan - Title number CYM182553. We estimate the paddock to amount to 0.38 hectares or 0.95 acres. The land is gently sloping in nature and is offered for sale with no overage conditions attached. There is an easement through the north access point.

The house was developed around 1995 and provides commodious 4 bedroomed accommodation as highlighted on the attached floor plan. Glanaber is double glazed and part heated by night storage heaters. Some modernisation is required. Externally in addition to the attached garage there is ample off-road parking and well stocked garden.

The village of Penrhyncoch is located 4 miles in land from Aberystwyth. There is a regular bus service to Aberystwyth together with a cycle path (now nearing completion) and the railway station is nearby at Bow Street. Local amenities include a garage, general stores and primary school. Aberystwyth is the largest town in the county with both local and national retailers.
